

2023-2024 COMPETITION TEAM AUDITION INFO

COMPETITION TEAM OVERVIEW

FOR DANCERS ENTERING 3RD-12TH GRADE

Dancers entering 3rd-12th grade may audition for our Competitive Program. Competitive Program dancers are required to study ballet, jazz and tap once per week from September – May. They perform their dances at three regional competitions (February – April) as well as our annual recital held in May. Dancers may choose to study other styles and may enroll in additional classes anywhere from 1-6 days per week, pending availability. Dancers must participate in one of our one-week summer programs annually. For Summer 2023, this is CHIPPS Boot Camp.

AUDITION OVERVIEW

All dancers interested in performing on the Nancy Chippendale Competition Team must audition annually for acceptance and placement. The audition allows our faculty to assess each dancer so that we place him/her in the appropriate ballet, jazz and tap class. Dancers will learn combinations in certain styles and will be asked to perform them in small groups. Extra choreography such as solos, duos, trios, small groups and formations are also chosen at this time. If a student is not present at the audition, then the faculty cannot include that dancer in extra choreography. If you would like to limit your child's participation to 1-2 days per week on the Competition Team, we ask that you communicate with the faculty PRIOR to auditions.

AUDITION REGISTRATION

DEADLINE: WEDNESDAY, MAY 31, 2023

All dancers must register online for auditions by Wednesday, May 31st. Competition Team Audition Registration is available on our website.
